Disclaimer

This document is not for public distribution and has been furnished to you solely for your information and must not be reproduced or redistributed to any other person. Persons into whose possession this document may come are required to observe these restrictions.

This material is for the personal information of the authorized recipient and we are not soliciting any action based upon it. This report is not to be construed as an offer to sell or solicitation of an offer to buy any commodity or commodity derivative to any person in any jurisdiction where such an offer or solicitation would be illegal. It is for the general information of clients of Kotak Commodity Services Private Limited. It doesn't constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients.

We have reviewed the report, and in so far as it includes current or historical information, it is believed to be reliable though its accuracy or completeness cannot be guaranteed. Neither Kotak Commodity Services Private Limited, nor any person connected with it, accepts any liability arising from the use of this document. The recipients of this material should rely on their own investigations and take their own professional advice.

Price and value of the commodity referred to in this material may go up or down. Past performance is not a guide for future performance. Certain transactions including those involving commodity derivatives involve substantial risk and are not suitable for all investors. Reports based on technical analysis centers on studying charts of a commodity's price movement and trading volume as opposed to focusing on a commodity's fundamentals and as such may not match with a report on a commodity's fundamentals.

We do not have any information other than information available to general public. The report is based on information from sources like respective industry associations, FICCI, CII, companies, media and other public sources. Opinions expressed are our current opinions as of the date appearing on this material only. While we endeavor to update on a reasonable basis the information discussed in this material, there may be regulatory, compliance, or other reasons that prevent us from doing so. Prospective investors and others are cautioned that any forward-looking statements are not predictions and may be subject to change without notice. Our proprietary trading may make trading decisions that are inconsistent with the recommendations expressed herein.

We and our affiliates, officers, directors, and employees worldwide may: (a) from time to time, have long or short positions in, and buy or sell the commodities mentioned herein or (b) be engaged in any other transaction involving such commodities and earn brokerage or other compensation or act as a market maker in the commodity/ (ies) discussed herein or have other potential conflict of interest with respect to any recommendation and related information and opinions.

The analyst for this report certifies that all of the views expressed in this report accurately reflect his or her personal views about the subject commodity and no part of his or her compensation was, is or will be, directly or indirectly related to specific recommendations or views expressed in this report.

No part of this material may be duplicated in any form and/or redistributed without Kotak Commodity Services Private Limited's prior written consent.
